By Deacon Michael Glover

Clergy Appreciation Month: Honoring Our Spiritual Leaders

October is Clergy Appreciation Month—a time to reflect on and celebrate the dedication of those who shepherd the people of God. At Bethlehem Baptist Church - College Place, we have set aside Sunday, October 12, 2025, as a special day to express our heartfelt gratitude to our Pastor and Ministerial Staff.

Our Pastor, who serves faithfully as the Chief Servant, is often called upon in moments of joy, sorrow, crisis, and celebration. He leads with wisdom, compassion, and unwavering commitment to God's calling.

Each member of the ministerial team plays a vital role in nurturing, guiding, and caring for the church body. We have ministers who are available and ready to serve our congregation. Their tireless efforts behind the scenes and in the pulpit reflect the heart of true ministry.

Let us continue to show our love, appreciation, and support for our Pastor and all of our ministerial staff. Whether through words, gifts, or acts of kindness, let's remind our clergy that their labor is not in vain in the Lord.

THE FLOOD SUBSIDED

by: Evangelist Laura Gantt

October is a month of letting go, as suggested by the falling leaves and finding joy and possibility in a new, cozy season.

October is the tenth month of the year.

"And the waters decreased continually until the tenth month, in the tenth month, on the first day of the month, the tops of the mountains were seen" (GENESIS 8:5).

Noah built an ark. The flood came upon the earth for forty days and forty nights. The high mountains everywhere under the heavens were covered: Noah spent an entire year inside the ark. The Flood Subsidied.

Noah occasionally would send a bird out to test the earth to see if the land was dry. Noah was waiting for GOD'S timing. GOD knew that even though the water was gone, the earth was not dry. Like Noah, we must trust GOD to give us patience during those difficult times when we must wait on our GOD because GOD is in control of everything.

AMEN

Revival Dinner- September 21

October is a season of harvest and change. As the leaves fall, let us be reminded that God renews, restores, and provides.

Stay faithful, trust His timing, and expect His abundant blessings to overflow into every area of life.

Internet vs Wifi

By: Deacon Randy Gilbert

Many people confuse the internet with Wi-Fi, but they're not the same thing.

The Internet

- A global network of computers and servers that allows you to access websites, send emails, stream videos, and more.
- Your internet provider (like AT&T, Spectrum, Comporium, or Mid-Carolina) brings this connection into your home.

Wi-Fi

- A wireless technology that lets your devices (phones, tablets, laptops) connect to the internet without cables.
- It works through a Wi-Fi router, which sends signals to your devices.

How It Works at Home

1. Your internet provider installs a router that connects your home to the internet.
2. A Wi-Fi router (sometimes built into the same box) allows your devices to connect wirelessly.
3. If the internet goes down, your device may still show it's connected to Wi-Fi—but you won't be able to browse or stream because the Wi-Fi isn't connected to the internet.

Tip: Think of the internet as the road, and Wi-Fi as the car that gets you onto that road. You need both to reach your destination!

WANT TO JOIN GIRL SCOUT?

Join our Troop #1630

Troop #1630 is a Multi-level Troop. Any girl in grades K-12th are welcomed to join. To enroll your girl or for more information please contact Troop Leader Marketa Bennett at 803-306-2763 or by email at M87bennett@gmail.com.
